

# Zoey & Mr Bigteeth Learn to Count

Thanks for inviting me to  
Ocean World Mr. Bigteeth.  
I'm here to learn to count!

My pleasure Zoey! Let's count  
all the fishes I'm going to EAT!

Mr Bigteeth, I don't want to hurt anyone. Can we just learn to count safely please?

I'll think about that Zoey but I'm hungry. Lets find **10** fish!

1

Oooh a red fish! What is the first number we say?

He looks tasty.. we've seen..  
**1** fish today Zoey.

Not a good time for a shark encounter. Get me out of here!

2

Wow he's booking it. What are we up to now Mr. Bigteeth?

He won't escape me! We've seen 2 fish today Zoey.

This is jaw-ful. Keep swimming!

3

That one is so pretty  
with orange and red!

Keep clam and flounder on.  
He came out of no where!

That's the 3<sup>rd</sup> one we've seen,  
but I haven't caught any!

4

A red and white one! Hm..  
I've counted 1,2,3.. and...

4 fish. Stop distracting me  
Zoey! it's making it hard to eat.

He's a reel threat. AHHHHH!

5

Wow! So pretty with red & stripes. How many now?

Oh my cod. Look at his fin!

We're up to **5** fish today. This one smells extra tasty!

6

How many have you failed to catch Mr Bigteeth?

Stop rubbing it in Zoey. There have been 6 already! 6!!!!

Gone fishing? Jaws-t kidding, right? He's behind me? EEEF!

7

Lucky number.. what is that number anyway?

Lucky number 7. I'm going to need all the luck I can get!

Fin-tastic, here comes that shark again!

8

She's much faster than you. She's getting away!

He's on the hunt, no time to clam up!

I am so hungry. Could I really miss 8 fish!?

9

It's funny when they swim away. How many now?

Not a fan of these big sharp surprises! We gotta fight back.

Well I've had 9 dissappointing attempts to get lunch. HELP!

10

That's the last one right? She looks bright, fierce and angry...

That's it. I've HAD IT!  
We're fighting BACK!

She's number **10**. Just a little bit closer and I can taste her!

Oh my goodness. I see **10** of the fish. I can count them all!

Oh how the tides have turned Mr. Bigteeth!!!

**AHHHHHHHHHHHHHHHHHHHHHHHH!!!**

**The End**
